

Day 1 - Monday 8 November 2021

	Strategy stage	Research stage	Fringe stage
13:00	Opening session Chair: Prof Robert Bristow (The University of Manchester, UK)		
13:15			
13:30	Speaker: Prof Peter Johnson CBE (University of Southampton, UK), Ms Oyebanji Adewumi (The University of Manchester, UK)		
13:45			
14:00			
14:15			
14:30	This House believes every patient should have an avatar to inform best treatment response Chair: Dr Natalie Cook (University of Manchester, UK) Speakers: Dr Kris Frese (University of Manchester, UK), Prof Thomas Helleday (Karolinska Institute, Sweden), Dr Bristi Basu (University of Cambridge, UK), Prof Sarah Blagden (University of Oxford, UK)		Immunotherapy: Rationale for use in earlier stages of disease - Bristol-Myers Squibb sponsored session
14:45			
15:00			
15:15			
15:30			
15:45		Difficult to treat Chair: Prof Richard Wilson (University of Glasgow, UK) Presenting authors: John Bridgewater, Aoife Gatenby, Jon Wadsley	
16:00	SARS-COV-2 vaccine effectiveness in cancer Chair: Dr Sean Lim (University of Southampton, UK) Speakers: Dr Sheeba Irshad (King's College London, UK), Ms Rachel Kahn, (Blood Cancer UK, UK), Prof Carl Goodyear (University of Glasgow, UK), Dr Stephen Lockhart (Pfizer, UK)		Live from the Laboratory
16:15			
16:30			
16:45			
17:00			
17:15		Understanding cancer risk factors Chair: Prof Linda Sharp (Newcastle University, UK) Presenting authors: Solange Parra Soto, Emma Hazelwood, Elizabeth Page, Ruth Norris	
17:30	Predicting side effects of cancer treatment Chair: Dr Richard Simcock (University Hospitals Sussex, UK) Speakers: Prof Sam Ahmedzai (NCRI LWBC Research Group, UK), Prof Paddy Stone (UCL, UK), Prof Catharine West (University of Manchester, UK), Mr Jim Elliott (NCRI Consumer Forum Member, UK)		
17:45			
18:00			
18:15			
18:30			Relaxation time
18:45			
19:00			
Short talks - Discovery/underpinning research Multiple speakers: pre-recorded talks will be available to watch at any time during the day			

Session type key	
Opening/closing session	Proffered paper presentations
Debate	Creative learning
Panel discussion	Sponsored session
Creative learning session	Short talks
